BBJ Y Reopening Plan Corresponding with Governor's Phase 4

Good Afternoon,

We have been thrilled to welcome so many of you back over the past three weeks. We look forward to seeing the rest of you soon. Your safety remains our priority. We have updated some of the measures in place for Phase 3 as we move into Phase 4 on June 15. Please read our updated guidelines below and contact us with questions.

We are excited to resume fitness classes with limits to number of participants, water classes with physical distancing, pickle ball doubles and swim lessons. Check our website, social media or call for times.

Hours: Monday-Thursday 6am-8pm, Friday 6am-6pm, Saturday 8am-4pm, and closed Sunday.

Building entry/Check-in: All will enter through the main entrance. -A Membership rep will check-in each member, who will then review and sign the updated Waiver (first return visit only) and tell the membership rep where in the building they will be going. Accommodations for those needing handicap accessible entry may be made upon check-in.

-Member will then have temperature taken by Y staff member with touchless thermometer and use hand sanitizer provided.

-It is recommended by Governor's plan and health department that all wear a facemask. Please provide your own.

Capacity limits: Fitness classroom-12, Fitness/cardio area-16, Weight room-12, Gym-10/ half-court, Locker rooms-12, Pool-20.

Childcare: Summer Camp Childcare continues. Care will be available from 6am-6pm Monday-Friday at the Y and at LifePointe Church in Mooresville. The Governor's Task Force asked the State Alliance of YMCAs to move forward with childcare to help parents.

-Child Watch will reopen for children who have been potty trained. Number of children limited to 8 at one time, children may remain for up to 90 minutes.

Limitations: Guest passes are limited to members 18 or older if building limits allow, those under age 14 must be accompanied by an adult.

-Lap swim limited to two/lane

-Weight room limited to 12 people. We encourage altering routine so spotter will not be needed.

-Fitness/cardio room limited to 16 people with every other piece of equipment closed

-Gym limited to 10 per half court.

We encourage showering and changing at home if possible, rather than using Y showers during this phase.

Cleaning: All Y users must clean equipment before and after use, additional cleaning/hand sanitizing stations have been added, staff will make minimum hourly cleaning runs through the building, cleaning done while open daily as well as after closing daily, closed Sunday for additional cleaning.

Health: Please stay at home if you have a fever or symptoms that may be communicable. The Health Department recommends washing hands frequently with soap for 20 seconds or more to minimize risk. We want you, our staff and our community to remain healthy!

We will continue to offer some fitness classes online; please check our website and Facebook site for more information. We look forward to reuniting with you to build our new normal.
